Work Experience:

Frontend-developer 2024-2024

Traino - Internship at a startup company. We are developing an application where users can find and book personal trainers across various sports and geographical areas. The development uses JavaScript, React, Next.js.

Visual Merchandiser 2019-2021

KappAhl Sollentuna - Responsible for the store's appearance and product display. Planning and execution of campaigns according to KappAhl's concept and the store's conditions.

Order Flow Administrator 2018 -2019

Bauhaus webshop - Handling customer issues regarding complaints, incorrect deliveries, delivery delays, transport damages, as well as questions about returns and products.

Sales Associate 2017-2018

KappAhl Bromma -Sales, inventory management, visual merchandise.

Store Manager 2016-2017

Vero Moda Bromma - Responsible for sales, budget, staffing, personnel, and daily operations. Also, responsible for visual merchandise in the store.

Sales Associate 2015-2016

Reima, Mall of Scandinavia - Sales of functional children's clothing, inventory management, and product display.

Responsible for Webshop

2011-2015

Sportscam.se, Stockholm - Started working there during my studies and gradually took over more responsibility for the business. I handled all marketing and web administration, as well as sales and purchases, and the company's ongoing bookkeeping.

Sales Associate

Pressbyrån Täby Centrum

2008-2013

Pressbyrån Åkersberga

2007-2009

Part-time job while studying (weekends, evenings, and holidays).

Store Owner/Manager

Pressbyrån Åkersberga

2004-2006

Pressbyrån Ropsten

2003-2004

Ran own franchise store with responsibility for finance, sales, personnel, purchasing, and marketing. I had personnel responsibility for about 10 employees in a business with an annual turnover of between 10 and 15 million SEK. Both stores were operating at a loss when I took over, and in both cases, I managed to increase both sales and customer numbers and make the business profitable.

Sales Associate and Deputy Manager

Pressbyrån Solna

2002-2003

Pressbyrån Åkersberga

1996-2002

Worked as a sales associate with significant individual responsibility, including purchasing, training new staff, and responsibility for the store in the manager's absence.
